Car driving school simulator mod apk android 1

Car School Driving Simulator is a new and fun game called School driving from BoomBit Games development studio game for Android, which was released for free on Google Play and has been downloaded more than 500,000 times by Android users worldwide! In the driving school Simulator, as the name means; You drive all kinds of cars and learn how to drive! All driving skills will teach you to become a professional driver! Look out for traffic signs, traffic lights, pedestrians, etc. and enjoy driving. CAR DRIVING SCHOOL welcomes holiday season Santa claus is back in driving school Simulator! Together with him – a new vehicle – Santa's sleigh. And that's not all! We're ready to surprise you with a lot of cool gifts. There is a new set of missions – santa's course – with 12 brand new tasks on four maps. California, New York and Canada are now covered in snow with holiday decorations sold out across several maps. Get behind the wheel and start your lessons in the city's most realistic driving simulator around! This is a game that will not only test your ability in controlling a car, but also require full attention to traffic rules. Car school car redesigned! With the new update, we've changed how the game is structured. Instead of unlocking entire maps and doing all the content there you now have the option to select the mission packages that interest you most. We've also been re-inging how the garage works. Keep in mind that these changes don't affect content that you've already unlocked in the game. The update has also introduced brand new content! A new Tokyo map is now available for fast driving. Free Roam has also been introduced as a whole new way of playing. We hope that you will enjoy all the new features and look forward to bringing new and exciting accessories to driving school in the future! This update is just the beginning! After an exercise that will teach you all the rules in a closed training course you will enter a large, open place. Everything you've learned will be tested there in several missions that you'll approach in different cars. In addition, you can also compete with other people online in free roaming challenges! 26 UNIQUE CARS Game has a really wide selection of cars. You'll need to show off your driving skills in several limousines, trucks, muscle cars, some 4x4s, buses and – for the top – powerful supercars. REALISTIC TRAFFIC Driving around the city is a challenge in itself, especially if you need to respond to the rules. But that's not all you're going to have to think about! The areas you're about to cross around are populated by real traffic. Don't crash! ONLINE MULTIPLAYER FREE ROAMING MODE When you are finished with all the missions in a single player or just looking for a dose change, you can try something different in our new multiplayer mode! There you will get points to drive according to the law and collectors' allowances. Compete with other players locally or globally over the Internet and see who is the best driver! FREE TO PLAY The Main Game Mode is 100% FREE to play, all the way through, no strings attached! Additional game modes that make the game easier to make the game simpler are available through optional in-app purchases. Each mode has separate rankings for full fair competition! GAME FEATURES ► HUGE CAR COLLECTION: Feel truly free driving 26 Awesome Cars ► DYNAMIC TRAFFIC: Deal with Real Traffic AI ► PRO PARKING MISSIONS: Huge campaign to beat. Due to your promotion ► 100% Free to Play Missions ► CONTROLS: Buttons, Wheel, Tilt & MFI Game Controller Support ► CAMERAS: Multiple cameras including First Person view for full Dives Show/Hide Information Car Driving School Simulator – a realistic driving school simulator designed to sequence driving skills and learning with road rules. BoomBit Games has a serious approach to learning – travel around the virtual city is filled with additional tasks, tips and recommendations. You will need to monitor speed, road position, actions of other drivers and selected tools. There will be no offers to plug in or turn on power signals. Well, in the end - some exams related to car parking. Get behind the wheel and start your lessons in the city's most realistic driving simulator around! This is a game that will not only test your ability in controlling a car, but also require full attention to traffic rules. You'll have to watch out for stop signs, intersection lights, don't forget to use your tickles, turn on your hair where needed...
